

COLUMBIAN FOUNTAIN.

A FRIGHTFUL EXTORTION.—Great presence of mind! The Golden Rule of last week states that during the "obsessances" with which the new Lodge Room of the I. O. O. F. at the corner of Gray and Hudson streets, New York, was opened on Friday evening of last week, Dr. W. W. Wallace, who was addressing the assemblage, observed the centre of the floor to suddenly sink, in consequence of the great crowd upon it, and immediately some one cried out that the floor was sinking. Dr. Wallace, in as calm and cool a manner as is possible for a man to assume, and waving his hand, said, "What spring floor won't sink?" This had the immediate effect to arrest the rush for the door that was about being made, when Dr. Wallace addressed himself to the Ladies and told them in a few words that the lives of the whole assembly were in eminent danger, and ask them to retire from the room as fast as possible, without crowding, and called upon the gentlemen to retain their places until the ladies were out of the room. His suggestion was complied with, and all escaped in safety—Dr. W., being the last to leave the room. Had the crowd made a rush to the door, it must inevitably have been choked up; and all probability the floors of the building would have fallen through, and possibly carried the walls with them, in which case nearly every one in the building must have perished. An examination as to the cause having been made, it was found that the wooden columns that formerly supported the floor from the room beneath had been removed, and iron supporters substituted which were not placed upon beams, but upon the bare floor; and they were forced through the floor some six or eight inches? We understand that the ladies have since held a meeting on the subject, and have resolved to present Dr. Wallace a suitable testimonial of their thanks.

PRESERVE THE TEETH.

FAR better is it to cure the Toothache in minute, by using Wheeler's Teaberry Tooth Wash, than to suffer the aching: also to cure soreness of the gums, softness of the gums, stop bleeding of the gums, and always keep the teeth, gum and mouth pleasant, and in the best state of health.

To show the length of time for which this article has been patronized by the public, the following copy-right is published:

Eastern District of Pennsylvania, to wit: Be it remembered, That on the second day of February, Anno Domini, one thousand eight hundred and forty-two,

W. WHEELER, of the said District, hath deposited in this Office the Title of a Book, the title of which is in the words following, to wit:

TEABERRY TOOTH WASH.

The right whereof he claims as Proprietor, in conformity with an Act of Congress, entitled "An Act to amend the several Acts respecting Copy Rights."

FRA'S HOPKINSON,

Clerk of U. S. Dist. Court. 1842, Feb. 2d, Copy deposited.

CHAS. F. HEAZLETT.

Certificates of Magistrates of the City of Philadelphia.

Having made use of your much celebrated Teaberry Tooth Wash, I feel convinced that it is the best article I have ever known, and hereby warmly recommend its use to the public in general as a pleasant and efficacious article for preserving the Teeth and Gums.

ROBERT E. JOHNSTON.

For a number of years my Teeth and Gums were so much out of order as to prevent me from eating with pleasure, and caused me much pain. Having heard of Wheeler's Teaberry Tooth Wash, I do certify that I tried one small bottle of it, and in less than two weeks my Teeth and Gums were sound and good. I believe that the use of it would be an advantage to many others.

J. BRAZER.

Certificates of Members of the Philadelphia Bar.

Having used Wheeler's Teaberry Tooth Wash and powder, I have found them to possess cleansing and purifying properties, and while they whiten and beautify the Teeth, they have a beneficial effect upon the gums, by imparting to them free and healthful action.

F. A. RAYNOLD.

I have used Wheeler's Teaberry Tooth Wash, and its effects upon my Teeth and Gums have given to me a high opinion of its merits. I cheerfully recommend it to the general use.

H. R. KNEASS.

My daughter has used Wheeler's Teaberry Tooth Wash and powder, and has found its effects to be cleansing and purification of the gums, and a sweetening of the mouth. I have no hesitation in recommending it as the most beneficial preparation for the teeth I have ever seen.

Certificates of Ladies and Gentlemen of Philadelphia.

It is with gratitude that I send the following certificate, hoping that many who suffer will be led by a perusal of it, to obtain Wheeler's Teaberry Tooth Wash, which article I used, and it has effectually cured tooth ache, soreness of the gums, removed scurf from my teeth, and I fully believe has entirely arrested all decay of them. I trust that all who suffer, having either of the same species of complaint, will as soon as possible use Wheeler's Teaberry Tooth Wash, that they may be relieved.

JULIANA CUTHRAL.

Owing to having taken cold, but mostly in consequence of the acid of a paint used in coloring prints, my teeth became very much injured, giving excruciating pain at intervals, for between two and three years. Wheeler's Teaberry Tooth Wash was used, and has entirely cured them, which, in certificate form, I send, that those who wish a perfect remedy for painful teeth, and also desire a pleasant Tooth Wash, may with confidence try Wheeler's Teaberry Tooth Wash.

MARY A. TAYLOR.

Wheeler's Teaberry Tooth Wash having removed scurf and cured soreness of the gums, which had troubled me for two years, it is my belief that it is a highly useful article, and that it is advisable to those who suffer with the teeth and gums to make use of it.

MARY SULLIVAN.

Your Teaberry Tooth Wash cured the tooth ache and also soreness of the gums in my family, and I send you this certificate that those who suffer with toothache or soreness of the gums may know that it is a remedy for them, and a very pleasant Tooth Wash.

FRA'S. PREVOST.

W. Wheeler. Wheeler's Teaberry Tooth Wash having cured soreness of the gums, and effectually stopped bleeding of the gums, I deem it a debt of gratitude for the relief which it afforded me, and a duty owed to my fellow beings, to say, that it is my firm conviction, that those who will use Wheeler's Teaberry Tooth Wash, for the teeth and gums, will find that it is an important article.

THOMAS J. McCURDY.

From much severe suffering of myself, and others of my family, with decayed Teeth and sore Gums, and the many respectable testimonials highly in favor of Wheeler's Teaberry Tooth Wash, I was induced to give it a trial, after which my family used it, and I rejoice to say that it did perform a thorough and effectual cure for all, and is the best article that I ever knew of. I would recommend its use to those who may be suffering.

JESSE MOORE.

W. Wheeler. Many more testimonials are existing approving of "Wheeler's Teaberry Tooth Wash."

Colleton Bitters.

THESE Bitters are purely a vegetable compound, and are offered to the public from principle of benevolence, under the fullest conviction that they will be found a safe and sovereign remedy for Dyspepsia. They have been triumphantly tested, not only by some of the most respectable families and physicians in the State of South Carolina, who have furnished ample testimony as to their decided excellence, but also by the proprietor, who, for ten years, suffered all the gloom incident to that stubborn and distressing disease.

They possess the peculiar excellence, denied to most other Bitters, of not proving injurious by continued use. They contain not a single deleterious ingredient, and, as seen from the directions which accompany each bottle, may be given with entire safety to an infant in the month.

With pleasure, and for the benefit of mankind, I send you a certificate relative to the Colleton Bitters.

In the year 1838, when the cholera was in Charleston, S. C., I was compelled to send a servant to the city. On his return, he was suddenly attacked with most violent pain in his bowels, so much so as to cause apprehension that he would expire in a short time, if medical aid could not be procured. I immediately resorted to the Colleton Bitters, by giving a wine glass full at a dose. In the course of a very short time it acted as an emetic, and throwing him at the same time into a profuse perspiration. I then continued to give it in small doses, from two to three tea spoonsfull, which resulted in a happy recovery. Since then I have been using it constantly in my family, in cases of cholera morbus, cholera infantum, diarrhoea and general debility, and in every instance found it highly beneficial. Some constitutions, however, require much larger doses than others.

JOS. D. JENKINS.

Bluffton, S. C., 1846.

It is with feelings of gratitude as well as pleasure that I take this method of giving my testimony of the great estimation which I entertain for your invaluable compound. In justice not only to the medicine, but for the benefit of others who may be suffering from the same malady, Dyspepsia, with which I was for years afflicted, I feel it a duty incumbent on me to state that I am now restored to perfect health. When I commenced taking the Colleton Bitters it was as a last resort. My debility from indigestion was so great that a cure was looked upon as almost hopeless. After taking it regularly and perseveringly for some time, my strength and digestive powers were entirely restored. I have never taken a single dose of any other medicine for more than five years past. I can now eat the richest food without any unpleasant feelings whatever. I have also used Colleton Bitters freely in my family for cholera infantum, cholera morbus, general debility, and as a tonic after fever, with great success. As a family medicine I deem it invaluable, and do conscientiously recommend it.

WHITE'S Compound Syrup of WILD CHERRY, Sarsaparilla, and other MEDICINAL PLANTS.

The preparer of this above Syrup, having witnessed for many years its extraordinary effects in obstinate coughs, and, in truth, in all breast complaints tending to consumption, has been induced by many of those who have experienced its salutary operation, to offer it to the public, under the full conviction that the timely use of this compound will avert the fatal termination of many cases.

The preparer adds to this notice the certificates of two respectable citizens, who ascribe their restoration to health to this preparation.

This is to certify that my daughter received great benefit from a mixture called Compound Syrup of Wild Cherry and Sarsaparilla, prepared by M. J. C. White, on 9th street, between D and E streets. Her cough was entirely cured by using the above Syrup, and I take pleasure in recommending it to the public as a sure and speedy remedy for coughs, however violent or long standing.

J. K. HANSON, H street, First Ward, Washington.

Mrs. J. C. WHITE: Dear Madam,—It affords me heartfelt satisfaction to lay before the public the benefit I received from your Compound Syrup of Wild Cherry and Sarsaparilla. I was taken, two years ago, with a bad cough, and tried a great many things that were recommended, and nothing did me any good. I was advised to try some of your Compound Syrup of Wild Cherry and Sarsaparilla. My cough was so bad that I hardly could go along, and after taking the first bottle I was so much better that I was able to attend to my business, and now I am entirely clear of my cough.
